POLICY

1. School profile

Arthurs Creek Primary School was established in 1876 and is located approximately 40 kilometres north of Melbourne. We have approximately 60 students enrolled from Foundation to Year 6 and fourteen school staff members including part time staff, such as our STEM teacher, Arts teacher, PE and AUSLAN teacher and specialist Music teacher. Our school grounds back onto expansive farmland, and we are surrounded by a supportive community. Students that attend our school live both locally or are driven from the surrounding areas and townships. Arthurs Creek Primary School has developed close ties to the local community, and enjoys support from our local community services.

Our school has limited cultural diversity with a few families having a language background other than English (LOTE) and some student representation from the Koorie community.

We strive to provide a nurturing and challenging environment that empowers students to reach their personal best, both academically and socially.

2. School values, philosophy and vision

Arthurs Creek Primary School's Statement of Values and School Philosophy is integral to the work that we do and is the foundation of our school community. Students, staff and members of our school community are encouraged to live and demonstrate our core values of respect, integrity and kindness at every opportunity.

Our school's vision is to empower students to reach their personal best, and fully equip them to contribute positively to society as happy, healthy young adults.

Our Statement of Values is available online at: <https://www.acps.vic.edu.au/>.

3. Wellbeing and engagement strategies

Arthurs Creek Primary School has developed a range of strategies to promote engagement, an inclusive and safe environment, positive behaviour, and respectful relationships for all students in our school. When a student acts in breach of the behaviour standards of our school community, Arthurs Creek Primary School will institute a staged response, consistent with the Department's policies on behaviour, discipline and student wellbeing and engagement. Where appropriate, parents will be informed about the inappropriate behaviour and the disciplinary action taken by teachers and other school staff.

Our school considers, explores and implement positive and non-punitive interventions to support student behaviour before considering disciplinary measures such as detention, withdrawal of privileges or withdrawal from class.

Disciplinary measures may be used as part of a staged response to inappropriate behaviour in combination with other engagement and support strategies to ensure that factors that may have contributed to the student's behaviour are identified and addressed. Disciplinary measures at our school will be applied fairly and consistently. Students will always be provided with an opportunity to be heard.
