CLASS PLACEMENT

PURPOSE

To explain to our school community how we manage requests for class placements, for the following school year.

POLICY

The process that Arthurs Creek Primary School works through to plan each student's class placement begins months before the end of the school year. We understand that in certain situations, parents and carers may like to request that their child be placed with a particular friend or in a particular class.

Keeping in mind that Arthurs Creek Primary School is a small school and our main aims are as follows:

- To provide each child with the opportunity to be a part of a class of children that will allow them the best opportunity to learn.
- To form well balanced classes of children that take into account the social, emotional, academic and physical characteristics of each child.
- To ensure that optimum use is made of the prior knowledge that teachers, parents and others have of each child prior to class placement.

Requests for placement with friends

Arthurs Creek Primary School recognises the importance of fostering and maintaining friendship groups. We also understand that it is equally important for students to mix and learn with peers who have different interests.

Requests for class placements must be made in writing, outlining who you would like your child to be placed with and why. Requests can be addressed to the principal. We will not always be able to accommodate class placement requests, but will take your wishes into consideration where possible.

Requests for placement with certain teachers

All teachers at Arthurs Creek Primary School are caring and committed educators and Arthurs Creek Primary School strives to ensure that all students are provided with a high quality education.

Whilst we appreciate that you may think that your child would benefit from being placed in a class with a particular teacher, we are generally unable to accommodate these requests. Our school's leadership team has an in-depth understanding of each teacher's strengths and will always endeavour to place our students with teachers who are best placed to suit their needs. We do not re-allocate students to different classes during the school year, unless exceptional circumstances arise. Parents will be advised of the situation if it arises.

Requests for students to repeat a year level

Our school will follow the Department of Education and Training policy in the Department's *Policy and Advisory Library* on Year Level Movement – see [Repeating a Year Level](#) policy.

We will regularly promote students to the next year level and will exercise our professional expertise and judgment in relation to these matters. Students are only able to repeat a year level in exceptional circumstances where Arthurs Creek Primary School considers it is required for the long-term benefit of the student e.g. considering their social, wellbeing and academic needs. We will ensure that parents/carers are advised of the options that we consider best meet individual student needs. Students will not repeat a year level without the consent of parents/carers.

REVIEW CYCLE
